

FIJI NATIONAL UNIVERSITY - MEDICAL COVER - SUMMARY OF BENEFITS 2025 - 2026

Local Hospitalization (Inpatient)	\$20,000 per disability per annum. Cash allowance for admissions at the public hospital at \$150 per day up to a maximum of 10 days per admission. (Excludes admission for maternity)
Private Hospital Extension (Inpatient)	\$42,000 per disability per annum provided for private hospital admissions and surgeries.
Sublimit under the Daycare (Hospitalization) subject to <u>specialist referral</u>	Provision of x-rays, blood tests, CT scan, MRI, Angiogram, specialist prescription, if medically necessary. Specialist consultation - \$3,000 per disability/per annum Diagnostic - \$3,000 per disability /per annum Alternative Treatments - \$1,000 per disability/per annum Pharmacy - \$1,000 per disability/per annum
Overseas Evacuation (Inpatient)	FijiCare Arrangement - FJ\$300,000 per disability - Evacuation to India as first option. (FIL) will make all necessary arrangement for Inpatient & treatment, airfare, pick up and drop off at airport, accommodation, and transportation to their preferred provider. In case of extreme emergency, New Zealand will apply as first option for evacuation and Australia as second option, if treatment cannot be sourced in New Zealand, subject to doctors' recommendation and insurer approval.
	<u>Own Arrangement – Non - Preferred Provider</u> If treatment is NOT available in Fiji and the insured person chooses to be evacuated on their own accord and arrange their own evacuation to a non-preferred hospital in India, New Zealand, or Australia, subject to prior approval from FIL, the policy will reimburse 80% of the charged cost excluding airfares, accommodation, and meals subject to a limit of FJ\$60,000 per disability per person. Therefore, the remaining 20% will be met by the insured person. If treatment is available in Fiji and the insured person chooses to be evacuated on their own accord and arrange their own evacuation to a non-preferred hospital in India, New Zealand, or Australia, subject to prior approval from FIL, the policy will reimburse Fiji medical costs only excluding airfares, accommodation and meals which shall not in any event exceed the maximum limit of FJ\$60,000.
	Diagnostic procedures which are not available locally will be covered overseas if inpatient treatment is recommended following the diagnostic procedure by the overseas providers based on the local medical reports.
	If the overseas providers are unable to confirm any treatment based on the local reports, then member can seek prior approval from FijiCare to proceed with own arrangement to have the diagnostic procedure carried out at an FIL preferred provider overseas and once inpatient treatment is confirmed and same is not available locally, FijiCare will assess and pick up the cost from the date of approval of treatment. However, if treatment is available locally FijiCare may approve the local equivalent medical cost only.
