Dear Sir

Re: Resignation

I am presenting this letter to let you know that I am resigning from my position as a Digger Operator effective immediately.

Currently, I am leaving in Navua and because of the distance I would not be able to continue working any further in this company. Requesting if my pending wages can be released as I am in need of finance.

I would like to thank you for giving me the opportunity to work in your company and would like to apologize for any inconvenience that my resignation may cause.

Sincerely

Elveen Ashneel Prasad
