Dear Krishnil

The next qualifying examination is expected to take place in the month of May 2022.

Dear Dr Amit

My employer requires the dates for the PhD qualifying exam so that I can be released and join the BITS Pilani campus before then. Therefore, requesting if you could state the date (or the month if the date hasn't been confirmed yet), as well as the mode i.e. whether it will be held on campus or online. I will then forward this email to my employer.

Kindly request your assistance in this regard.
